

MOTIVATIONAL SPEAKER • SPOKEN-WORD ARTIST • 30-YEAR ARMY VETERAN

BOOK A CATEGORY OF ONE.

Spoken word, original music, and cinematic video — **a motivational experience a room can feel, and act on.**

Doc The Motivator spent 30 years in uniform and retired as a U.S. Army Sergeant First Class, including two combat tours. He doesn't lecture from a podium — he delivers spoken word live over original music tracks, with high-end video synchronized to every beat, closing with an honest audience Q&A. He is not a rapper — he is a man with three decades of lived authority on resilience, accountability, and transformation, using rhythm and image to make a message land and stay.

WHAT DOC DELIVERS

- 01 Signature spoken-word set** — 6-8 original spoken-word pieces, 2-3 minutes each, delivered live over original music tracks with high-end video synchronized to the words and the beat.
- 02 Straight-talk sessions** — the same hard-earned message and stage presence as standalone motivational and speaking sessions, without the spoken-word or music element, when a program wants a keynote or workshop.
- 03 Built to scale** — from a focused 20-minute feature to a full main-stage keynote, every set tailored to the specific audience in the room.
